# CIABATTA SANDWICH

**80GR**  
 COOKED WEIGHT

Cooked in a soleplate oven and with double fermentation, this small ciabatta has a fine golden crust. It has a thick, cream-coloured crumb and thanks to the high level of hydration it receives, once baked, it stays fresh for longer. We can find sweet nuances in its taste which makes it a bread that combines with any food. It is a very versatile bread that can be eaten both at the table and as a sandwich or toast.
