MINI CIABATTA

40GR
COOKED WEIGHT

Cooked in an oven with a double fermentation, this small-sized ciabatta has a rustic appearance, with a fine golden crust. It has a creamy coloured crumb, and thanks to the high hydration it receives, once baked, it stays fresh for longer. We can find sweet nuances in its taste which makes it a bread that combines with any food. It is a very versatile bread that can be eaten both at the table and as a sandwich or toast.
