In the quest for an optimal nutritional profile, at Okin, we have developed a range of breads with whole wheat flour. Appetizing, delicious... The kind that when you start eating them, you can't stop. Breads made with care and with the most natural ingredients. This 100% whole wheat chapati has an unmistakable toasted hue, subtly floured crust, and all the benefits of whole grain. With a dense, dark crumb, this bread has a characteristic flavor as the whole ingredients impart a slightly bitter and very distinctive taste. Whole grains are rich in fiber, vitamins, and minerals and contribute to the proper functioning of our digestive system.
